When David commissioned Solomon to build the house of the Lord, "the people rejoiced because they had offered willingly and made their offering to the Lord with a whole heart..." I thank God for your willingness and wholeheartedness in giving. Because of your support Gap Year continues to grow.

Pray for our son, Jonathan, as he is serving our country in the Air Force. He is at Shepherd AFB attending Tech School for several months. Jonathan would love to get an email (word of encouragement, favorite verse, prayer, etc.) from you. His email address is jcondrey88@yahoo.com.

33 students from 12 states spending 1 year in Costa Rica

Steve Gillis, College Pastor at FBCW shares his heart and a challenge to Gap Students.

A special thanks to Pastor Tommy Mallad and Promiseland Baptist church for their ministry to our family during Johnny's cancer treatments in Florida.

Gap Costa Rica Commissioning and orientation

"Let your light so shine before men that they may see your good works and glorify your father in heaven."
Matt 5:16

Natalie and I are very grateful for a pastor, a home church and each one of you who prays for us and who support our ministry to equip and mobilize students to the nations. The commissioning service was a special time for the students and their families. We are praying, working and believing God for 100 students to be involved in doing a gap year in the fall of 2010. Natalie and I are privileged to send our third son, Taylor, on a gap year to Costa Rica.
